Slight milder conditions than experienced in recent weeks allowed 20 members to compete for the Auto Pro Kapunda 700 yard event. Some notable occasions on Saturday. Jade our only active female member and most junior shooter celebrated her 11th birthday at the range and informed all that would listen, of the capability of her new phone. Simon B returns to the mound with a great score and led the target rifle group at the end of the day. Geoff Neldner was trophy winner on the day with a solid effort and boosted by his handicap took the honours, just narrowly from Barry Kalleske. Other notable incidents saw Andy Small engaging a State Captain, (with both national and international standing), as his gun bearer who prepared and supplied all Andy's weekly shooting needs. How do you get that help Andy?

Saturday 's shoot was conducted over several differing changes of wind and mirage, and this had a detrimental effect on the scores of competitors. Next weekend Kapunda Rifle Club will be hosting the final stage of the Findlay Cup at the Clubs 700-yard range. Kapunda is the defending champion in this contest and hopes to retain its Number 1 position within the No. 4 & 5 District Rifle Association. Four clubs compete annually over 3 days of competition for the coveted award. Competition starts at 12.30 sharp and members are advised to be at least at the club by 11.30 to help with day's setup.
