Fifteen shooters turned out for the B and K Kalleske 800 yard trophy, that, due to heat, was transferred from the 1st December 2018. The flags were doing their normal left to right dance and the mirage was not giving anything away. The markers were under constant pressure and had to gauge a lot of the shots to ensure accuracy and escape the wrath of a disgruntled member. A shining star for the day was Les Williams who posted a 97.6 and he also spent time coaching Tom Litchfield who is the Club's newest TR shooter and shows very good promise. One of the Club's more experienced F class shooters found it difficult to get on the target but with a little help from the markers he eventually got there and was top off rifle in F Standard followed very closely by Chris Papageorgiou. Only two members shot under their handicap limit and one of these, Les Williams, took the Kalleske Trophy. Next week, weather permitting, we will be shooting for the Australia Day Medals which is sponsored by Graham Davies. It will be shoot over 500 and 700 yards so please make an endeavour / effort to get to the Club on Saturday the 26th January 2019. It will be a great day.
