The Neil Tamke Memorial Trophy combining the Light Aggregate Stage 6 was shot under cold and windy conditions with the threat of rain not too far away. However, 19 intrepid members braved the conditions with some posted good scores. There looked to be a private tussle between Barry Kalleske and Chris Papageorgiou with Barry posting a 60.5 in the first round with Chris one point behind with a 59.3 however in the second round Chris prevailed with another 59.5 going on to win the Handicap Trophy for the day. Scoring possibles for the day were John Hoerisch with a 50.6 and Barry Kalleske with a 60.5. Craig George, although not yet with a handicap and new to F Class posted 58.1 and 58.2 and also took out the sniper with 24.0. (I hope that the handicapper is watching). Thanks to all the members that attended and making the day run smoothly. Next week will be the last range to be shot for the current year and is the D Lindner second stage at 1,000 yards. The 25th May is scheduled as a working bee in the morning and 300 yards to be shot in the afternoon.
