Saturday saw 17 members compete for the H (Joe) Doddridge Memorial Trophy which was shot over a distance of 400 yards. As a result of recent rains, and also the maintenance that was recently carried out, the range has taken on a picturesque appearance with the growth of lush grass. However there lay hidden dangers for the shooter that was taken in by the range's beauty. The bright sun on the targets made it difficult for some of the F class shooters while the TR guys just took it in their stride. Congratulations to Eddy Kanik and Steve Smithson who both had possible in the late afternoon when the wind quietened down to a whisper and many thanks to all the members that made the day run smoothly. Well done Steve on winning the round using less than a quarter of your handicap. Next week the trophy for 500 yard range will be supplied by our junior member Jade Kearsley so please make every effort to attend and show your support. There was some discussion that Jade was going to donate her mobile phone as the trophy (??).
