Conditions at the range on Saturday were slightly better than the weather promised by the Bureau of Meteorology with wind gusts only reaching 25 miles per hour and the rain only intermittent, the temperature battling to get past 10C, chill factor not known. Fourteen shooters battled the conditions with some posting better scores in their second presentation but only one possible was posted for the day and that was by the Club's esteemed Captain Les who also towered over the other TR shooters to take O/R for the day. Simon Barrie also had a good second round which included seven centres and, unfortunately three very, very, very close fours. The winner, fresh back from the Queens competition was Dave Lindner using 70.58% of his handicap. Snipers in TR went to Dave Clarke 19.2, Eddy Kanik took FS 21.0 and FT/R went to Steve Smithson, 18.0. Next week sixteen members from the Club will be going to Maitland to compete in the Findlay Shield Trophy event and no range has been set at Kapunda. DC.
