The Lagana Brothers Trophy was contested by fifteen members of the Club over a distance of 500 yards and in conditions that were far from favourable. The complete cloud overcast provided for dim light and the misty rain made visibility even worse however some members revelled in the conditions. After changing his front tunnel, complements of his dad, Tom Litchfield was the handicap winner for the day after posting 96.7 and only using 24.3% of his handicap. Mike Otto shot as a visitor and posted a 60.4 which was followed by a 59.2 and would have taken the snipers with a 21 but his dad claimed it with a 20.0. We also had members of the State F Open team visiting and using our electronic target which performed flawlessly throughout the day however it was reported that problems were experienced with wind management.

Winner: Tom Litchfield only using 24.3% of handicap. Next week is the Mully's Home Maintenance Trophy and will be shot at 800 yards. Members please keep in mind the OPM which will be held on the 8th September 2019 and also the WORKING BEE on the 7th September 2019 starting at 9.30 am.
