What promised to be great day to hold the J and D Hoerisch Trophy soon turned from good to bad as the wind speed steadily increased through the day. With wind gusts reaching 18 MPH and with sudden drop offs it proved to be very challenging for the members present. However, Trevor Otto revelled in the conditions and went on to win the trophy only using 69.57% of his handicap. Leaders off-rifle were TR, D Clarke, FS, Eddy Kanik, F Open T Otto. Next week will be the W Koehler Memorial Trophy Ring Target event and will be shot at 200 yards. Although considered a TR event this distance (200 yards) is excellent for F class to either check elevation, barrel tuning and adjust wind arms.

promoting the sport of long distance rifle shooting
