The Australia Day Shoot is one of, if not the most popular event that is staged each year and it has always drawn members together in a friendly and warm environment to compete in an event that has stood as a stalwart in celebrate a very significant day in Australian History. This, in some measure can be attributed to the Australia Day Medals that Graham and Monica Davies have provided for the winners, but I would think that it goes much deeper in forming a healthy club environment that is enjoyed by all. Fickle winds and heat mirages provided a problem for the 20 members that attended but it did, in one case result in a major cross fire for the day. Medals went to: TR, A Grade, Les Williams, B Grade, David Clarke, C Grade, Dave Lindner, F Standard: A Eddy Kanik, B Andy Small, F Open: T Otto and FTR to S Smithson. Next week is the T & C Andrews Trophy (Stage 2) which will be shot at 500 yards. Please be early to help with the target and flag setting. D.C.
