The D & J Lindner Trophy Stage 2 drew 12 members to the 1,000 yard mound in conditions that were far from perfect. A veering wind at 10/15 miles per hour created mayhem and conditions became increasingly difficult to manage with "birds" abounding and in some cases "misses" were recorded. No-one shot within handicap, but Graham Davies was closest using 124.14%. However, under the current Club rules, where no-one makes limit, the winner is decided by selecting the shooter closest to the maximum score after adding in handicap to the actual score. In this case, the winner is Tim Andrews, scoring 117.25/120 over Graham Davies scoring 116.5/120. Top off Rifle: TR: Les Williams, FS: Tim Andrews, FO: Trevor Otto, FT/R: Steve Smithson. Snipers: Les Williams, FS: Chris Papageorgiou, FO: Trevor Otto and FT/R: Steven Smithson. Top off Rifle: TR: Les Williams, FS: Tim Andrews, FO: Trevor Otto, FT/R: Steve Smithson. Next week competition is the Hanson Concrete Trophy and will be shot from the 600 yard mound so please be early to help set the range.
