Seventeen members took to the field to compete in the stage one of the David Clarke Trophy which was shot over a distance of 300 yards. Conditions for the day were pleasant however the Kapunda wind was not kind and was at its troublesome best with sudden changes that left some members, and even some State Team members struggling to keep up with the wind's mood. However, an enjoyable day was had by all and Barry Kalleske went on to win the day posting the only possible (60.6) followed by a 59.5 and only using 28.5% of his handicap. Top off rifle: TR: John Hoerisch 95.8, FS: B Kalleske 119.11, FO: Trevor Otto 115.06 and F/TR: Graham Davies 112.04 and the Snipers also going to the same members. Next Saturday is the Eddy Kanik Trophy to be shot at 500 yards in preparation for the Findlay Shield Competition which will held at our range and at the same distance the following week. Please remember to be early to help with the setting up of the range.

promoting the sport of long distance rifle shooting
