Twelve members attended the range to compete for the J & D Hoerisch Trophy (and Light River Aggregate Stage 3) and were met with twenty mile an hour winds, intermittent periods of rain and some minor flooding but after considering the elements it was decided to proceed with the day. There were several withdrawals on the day because of problems with sighting, leaving bolts at home, etc but the day progressed well despite the adverse weather conditions. Jim Taylors' perseverance with the conditions saw him winning the Trophy only using 73.4% of his handicap. He was the only member to come in under handicap. We also had two visitors who tried their hand at both F class and TR and both posted realistic results. Next Saturday's competition is to be the Lagana Bros Trophy and will be shot from 500 yards and not 300 yards as announced at the day's windup.
