Conditions for the members that wanted to compete for the K Neldner Memorial Trophy were far from pleasant and did favor the F/Class members that shot at the end of the field when conditions improved. Light showers and smoke haze did little to help the TR shooters who found the aiming mark difficult to see from the 900 yard mound. The trophy was eventually won by Steven Smithson who only used 23.5% of his handicap. Next week will see the members compete for the R Horney Patrons Trophy which will be shot from the 300 yard mound.
