The beginning of Spring provided excellent conditions for the twenty members and one visitor that competed for the King's Trophy, shot from the 600 yard mound. Although the conditions were kind there were some retirements. Dave Moffatt, our new prospective T/R member scored a 55, unaided, for his first time using a sling. The Trophy eventually went to Chris Papageorgiou who only used 18.18% of his 5.5 handicap and posted the only possible for the day, 60.4. Next week's competition is stage 2 of the Findlay Shield and it will be shot from the same 600 yard mound and members names will be announced as soon as the selectors have confirmed the teams. There will also be three targets in use and one will be available for club members not participating in the teams event. Please arrive early, say 11:00 am, so that range can be ready for shooting by noon.
