The R Hornsey Patron's Trophy drew 18 of our members to compete from the 300 yard mound which normally lends itself to the F/Class shooters and although they have shot many possibles at this range possibles appeared to allude them yesterday. One member that did come close was Jade Kearsley posting a 59.7 after dropping her first scoring round while others found the range much more difficult. However, the day went to Trevor Otto who only used 54.55% of his handicap, scoring 117.09. Next week the trophy will be the D & L Lindner Stage 1 plus Stage 4 of the Light River Aggregate and will be shot from the 500 yard mound.
