Saturday held some surprises for members who arrived to shoot for the S and T Barrie Trophy as it was also the day that saw the opening of the new Mullins Super Highway that stretches from the club house to the butts area: speed limit capped at 25 KPH. The upgraded road took two days to complete and we would like to thank Mantina Quarries for donating over 150 ton of road base towards the project. Fickle winds and heavy overcast made the aiming mark difficult for members to distinguish and only one possible was scored on the day (Steve Smithson). The handicap trophy eventually went to Peter Dayman who only used 63.16% of his handicap. Next Saturday will be the A Pohl Trophy which will be shot from the 600 yard mound. Please be early to help prepare the range.
