Over fourteen members arrived early to attend an instruction course on the operation of the Shotmarker targeting system and the greater majority stayed to compete for Stage 2 of the D Clarke Trophy which was shot from the 600 yard mound. The conditions were not ideal with fickle winds making it difficult for both TR and F Class however the day went to Dave Lindner who patiently waited and read the wind conditions and posted 95.5 using only 43.48% of his handicap. Next week will be the S and T Barrie Trophy which will be shot from 700 yards. Please be early and to help with the preparation of the range

promoting the sport of long distance rifle shooting
