The Kapunda Rifle Range began to take on a picturesque appearance as members mowed the range, prepared the targets and set the flags in preparation for the D & J Lindner Stage 1 Trophy (and Stage 4 of the Light River Aggregate Series). The thirteen members (along with 3 visitors) that contested the trophy enjoyed an even and consistent wind and the F class shooters were in their element and posting high scores. Jim Taylor was the only member to post a possible (60.4) but the three visitors (past member Lyn Otto included) were very consistent and recorded four possible between them. The 1st stage of the Lindner trophy was eventually won by Andy Small who used just 22.64% of his handicap. Next week is to be the D Clarke Trophy and will be shot from the 600 yard mound.
