Kapunda Rifle Club's first day back to shooting since the 21st March saw seventeen members attend to compete for the T & S Klose Trophy. The day took on a picnic atmosphere as members came together after the long break away. The weather was kind with overcast skies and the wind moving in from the South East at about 7 kilometres per hour. The day progressed well, and the electronic targets proved a boon for both the scorers and the shooters, and they performed flawlessly throughout the day. It was also good to see that all our members had the Covid-19 restrictions on their mind and a few complained that their elbows were getting bruised from greeting other members. The T & S Klose Trophy was won by David Clarke who only used 43.7% of his handicap with top off rifle to (TR) Les Williams, F/Std Eddy Kanik, F/O: Trevor Otto and F/TR to Steve Smithson. The snipers were (TR) Les Williams 22.2, (F/S) Chris Papageorgiou 21.0, (F/O) Trevor Otto 20.0 and (F/TR) Steve Smithson 20.0. Next week's competition will be the Hanson Concrete Trophy and will be shot at 600 yards. Please be as early as possible so that all the health declarations can be completed, and adequate time given to setting up the range flags and target systems.
