Saturday the 7th saw a 500 yard round of the Club's championship series held in mild conditions on a perfect spring day. Appearances were deceiving though, as the frontal wind had a fishtail component and managed to be at odds (seemingly) with mirage for much of the day. Quick direction changes caught out many, and consequently, only one of the 16 shooters managed to come in under their handicap, Geoff Neldner, using 94.12%. Next week is the Kalleske Trophy at 800 yards. Note that set up and start times are now CDST.
