The day commenced well for the members that attended to compete for the H (Joe) Doddridge Memorial Trophy. It was also the day that saw the Club implement its new Covid - 19 plan with the introduction of the smart phone log, which had been set up by members of the committee before others arrived. The system worked successfully but there was frequent interference because of network signal breakup and when this occurred the manual system was used. However, after battling the wind and rain and members using all their handicaps the day was eventually won by Andy Small who posted 104.4 with a handicap of 14.0. Next week shoot is the W Koehler Memorial Ring Target Trophy which will be shot from 200 yards.
