A belated return to shooting after the Christmas break (heat preventing our return last week) saw 15 members compete for Stage 1 of the T & C Andrews Trophy. Starting conditions promised light south westerly winds and pleasant temperatures. As is the norm in our sport, expectations and outcomes live in two different realities. The wind and mirage were anything but consistent, delivering only occasional purple patches for the lucky few. In the realm of alternate realities, yesterday saw A grade TR shooter (and past Club Champion) John Hoerisch try his hand at F T/R, an arm injury preventing the wearing of his TR jacket. The disappointing first round prompted him to remove the glass thingy atop his rifle and mount the peep sight for the second round, with a vast improvement resulting. It was left to grandson Elijah to hold up the TR end, who impressively top-scored after more than a year away from shooting. Well done Elijah. Great to see you back. Stage 1 of the Andrews Trophy was convincingly secured by Graham Davies, one of only 3 to shoot within handicap. Next week, the Australia Day Medals shoot at 500 and 700 yards.
