The early shooters found the going difficult with gusty varying winds, heavily overcast and the odd spot of rain but as the day progressed the conditions started to improve and became more predictable. There also appeared to be a struggle going on between the captain and Fred Guyatt with the captain posting a 50.1 in his first round with Fred just one point behind with a 49.2 but in the second round the captain only posted a 49.3 and Fred was still to shoot. All eyes were on Fred, and he did not disappoint finishing with a 50.6 to take not only top off rifle but also the stage on handicap as well. The captain was just a heart beat away and finished second. Next week is to be the Kapunda Auto Trophy at 700 yards and it is also the Easter long weekend so please drive safely.
