Club members were met with a vista of green when they arrived to compete for Stage 2 of the Dave Lindner Trophy, and there was no better place to view it from than the 1,000 yard mound. The flags were moving gently from right to left but the mild mirage appearing to move against their direction. The day went to Peter Kanik who posted a creditable 115.6 and only used 66.6% of his handicap and I think that it is also worthy to mention that he also took the 900 yard trophy last week posting a score of 119.8. Dave Lindner took off-rifle in TR with a 90.4, F/S: Chris Papageorgiou 112.4, F/O: Eddy Kanik 110.7. Next week will be the Ahrens Trophy and Light River Agg Stage 1, contested from the 300 yard mound.
