The Peter Larsen trophy was contested at 900 yards on the 12th of June by 18 members. With conditions being quite calm and flags only moving slightly, almost all competitors reached limit and six possibles were scored. Our youngest member, Jade Kearsley scored a possible and a 59 to be the trophy winner using only 7% of her handicap. It was a pleasure to see the members enjoy the day's event. Next week is the first shoot of the 2021-22 season and will be a zero day to calibrate sights and equipment for the season ahead.
