The Lyndoch trophy was shot at 300 yards on Saturday with 14 members participating in overcast cool conditions with consistent quartering right wind. Three targets had been set but two were used and all ran smoothly with the presentation starting at 3.30pm, quite early, but becoming more the norm with the consistent performance of the Shotmarker systems. Of note was the performance of the Vice-captain, Chris Papageorgiou, stepping up to run the event as the Captain was away, with assistance from Steve and John. Chris, feeling the effects of night shift, was challenged constantly by the members who recognised the opportunity to make sure he remembers his first official dear leader role. He did well and all enjoyed the good natured banter (at least we think Chris did). Job well done Chris. Winner again was Piotr Kanik with a 118.11 (including a 2nd round possible) using 25.81% of handicap. Eddie Kanik also scored a 60.8 in his second round, and was one of the seven members to come in under handicap.

Next week is the re-scheduled Larsen 900 yard Trophy and is the last event in the 2020~21 calendar.

promoting the sport of long distance rifle shooting
