The second stage of the Mully's Home Maintenance Trophy was combined with the second stage of the Light River Aggregate and shot at 800 yards. Flicking right wind was again the order of the day and purple patches were rare. While for a lot of the afternoon the wind was fairly predictable, it was reported that the mirage was not. Consequently there was a wide range of results and only a few came in under handicap. At the end of the day Stage II of the Mullins Trophy and Light Aggregate was won by Andy Small, using just 33.68% of handicap. Next week is the D and J Pumpa Trophy at 500 yards. Please note that start times have now reverted to daylight saving time so arrival by 12.30 and competition starting at 1pm sharp.
