With heavy rain forecast for Kapunda, eight members attended to contest the Mully's Home Maintenance Trophy at 800 yards. Because of an equipment malfunction only seven were able to compete and a shower of rain at starting time almost caused the event to be postponed. With a keen positive attitude and a break between weather fronts, the range was set up and some great scores were recorded. Due to subtle but tricky wind changes, experience paid dividends and the trophy winner, using only 50% of his handicap was David Lindner. Fred Guyatt scored the only possible for the day. As soon as the event was completed, the flags were taken down and heavy rain commenced. This caused all attendees to smile at not being soaked while laying on the mound. Next week's event is the Kevin Neldner Memorial trophy which will be held at 900 yards.
