The Australia Day event is a special Club shoot with impressive awards generously donated by G Davies and won by the top scorers (off-rifle) in each Club grade. This year the Captain again retained the 2 range format (rather than 3), at 500 and 700 yards, each 2 sighters with 10 to count. The usual summer conditions were the undoing of most at the longer range. Medal winners were (T/R) A Grade L Williams, B Grade no entries, C Grade D Lindner, F Std A Grade E Kanik, F Std B Grade P Dayman, F/TR S Smithson. There must be at least 2 competitors to qualify for a medal, and unfortunately J Taylor was on his own in F Open. Next week. Stage 1 of the Avenel Trophy at 500 yards.
