Winner B Kalleske, on countback just edging out J Taylor, both having scored outstanding double possibles. More than one double possible in the same category (ie 2 doubles in F Class, or 2 doubles in TR, but not a mix of either) is about the only situation where a countback is used. As per the ruling last year, almost every other situation is decided on % of handicap used. See the Members Only page of the website for full details. F Guyatt also recorded a round 1 possible. Next week, Championship Round plus Light Agg Stage 3 at 600 yards. Note that this round was advertised as Hanson Concrete Trophy but unfortunately Hanson's are not continuing as trophy donors. Please also see the Members Only page for a photo of Dave Lindner receiving his 70 year SARA Membership recognition certificate. Truly a stalwart and inspirational ambassador for our sport and our Club. Congratulations on your achievement David.
